Brandywine Assisted Living in Selbyville, DE has requested door wreaths for its residents. Garden clubs are joining together to bring some joy to the Brandywine residents.

Theme: Spring or Patriotic

Salt Air is ordering wreaths and our garden club will pay for our wreaths. Each member will provide the flowers, greenery, decoration or bows.

Create a hanging loop on the back of the wreath.

If possible, wrap the finished wreath in a dry-cleaning bag or other plastic bag.

Include a card or note of cheer. We may get names of residents for cards.

Deliver completed wreath to Alva Hutchison. Date TBD – around March 19
There will be a group presentation at Brandywine – with press coverage.
