

Plantation Lakes Garden Club

Educational Luncheon Series

Featured Speaker: **Gregg Tepper**
Senior Horticulturist at The Arboretum at Laurel Hill, Pennsylvania

Topic: Native Plants: Weird, Wild and Wonderful

In this fascinating and entertaining program, seasoned horticulturist and avid plantsman Gregg Tepper will astound you with interesting facts, amazing stories and stunning images of our native plants, from the insect-eating pitcher plants and demure but deceptive pink lady slipper orchids to the surprising antics of our coy trout lilies and unassuming wood ferns. Whether you think they're weird, wild, or wonderful, there's no doubt they're just plain WONDROUS to learn about.
